

# „The Four Seals and their Meaning!“

„I saw a mighty angel calling out in a loud voice,  
Who is worthy to break the seals and open the scroll?“  
Revelation 5:1

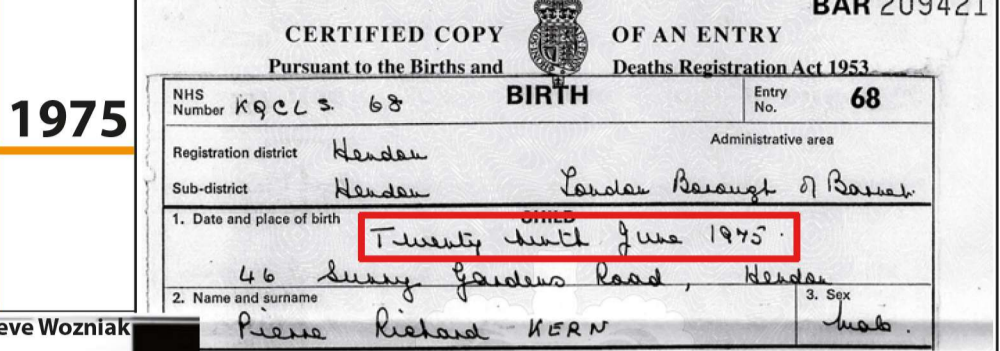

## THE HORSE!

Like no other animal, the horse has revolutionized the political and cultural development of humanity and its mobility. They are used by us as pull, pack or mount animal and as livestock e.g. used for agriculture and forestry. Moreover, at that time they were indispensable in the expansion of old ones, as in the conquest of new territories. The horse in the Book of Revelation symbolizes the digital Age (the Internet) and its Evolution.

## The Key to Open the Four Seals?

Since only the lamb can open the seals: It's my Birthday (see red bar image). I was born the same day as as the first PC prototype came to life; on Sunday the 29th of June, 1975.

1975

And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer. (Rev. 6:2)

On Sunday, June 29, 1975, Steve Wozniak took an old Motorola 6800 CPU and electronic components and soldered to a motherboard. He started it and showed it to his good friend Steve Jobs, which in the end was the prototype for the Apple I, the world's first personal computer for the consumer market.

13 years later: CERN developed the Internet Protocol and it was made accessible to the public in 1990; the Internet!

And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword. (Rev. 6:4)

Red increases our energy level, our psychological power: Red stimulates all processes in the body, stimulates the metabolic activities and exerts a strong influence on the autonomic nervous system. According to experts, social media played a significant role during the Arab Spring, facilitating communication and interaction among participants in political protests. Protesters used social media to organize demonstrations, spread information about their activities, and raise awareness of events. The sword stands for the words:

The words of the reckless pierce like swords...

## The self-glorification of the Individual!

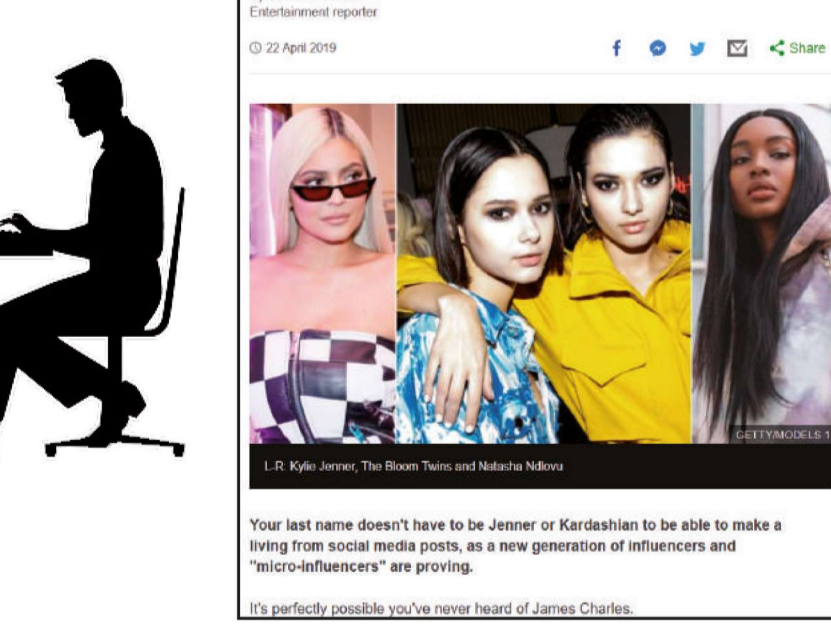

The black represents evil. In the past, the scale was used to weight also money. Gen 23:16; Jer 32:10). Job, the Prophet, wanted to be weighed on the scale of justice by GOD. The barley represents the jealousy: Num 5:15. The Wheat stands for the community see AT: Gen 18:6, Gen 30:14, 3 Mo 2:1. With social medias (Instagram, Twitter, etc.) people are driving each other into the intoxication of self-love or destruction.

For many users it is the craving for likes and followers that drives them daily to sacrifice their time on Social Media platforms. Social-Media Influencers receive sponsored products or services for marketing on their social media channel. This leads to trickery, lies and digital retouching to get more lucrative advertising contracts than the competition. The money (the penny) identifies the greed, Lu 12:15. Oil & Wine, the Truth!

And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.  
And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine. (Rev. 6:5-6)

And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth. (Rev. 6:8)

Machines and robots learn to speak, see and work with the help of artificial intelligence. They will soon change all areas of life fundamentally. There are over 2 billion active Facebook users worldwide who also use WhatsApp and Instagram, which belongs also to Facebook. Facebook is developing a neural interface that allows them to control their software with the user's mind. To use this application, Facebook will introduce a digital-ID; the Mark of the Beast. Which is controlled by an artificial intelligence; the Image of the Beast!

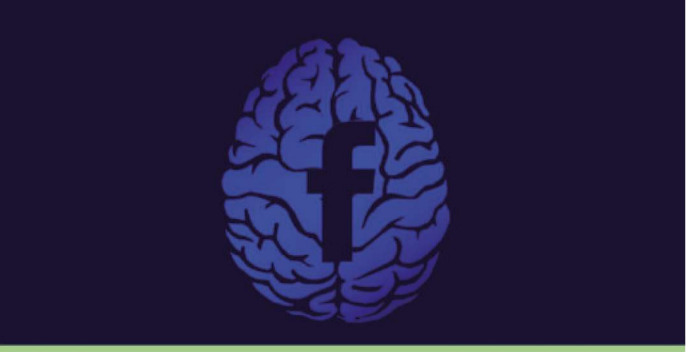

Death and hell mean the extinction of spiritual life and condemnation on earth. The sword stands for the word and hunger for the false doctrine.

The animals on earth symbolizes the self-love of the Individual:

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.  
Revelation 13:18
