## „Daniel's Dream of Four Beasts“

In the first year of Belshazzar king of Babylon, Daniel had a dream, and visions passed through his mind as he was lying in bed. He wrote down the substance of his dream.

Daniel said: "In my vision at night I looked, and there before me were the four winds of heaven churning up the great sea. Four great beasts, each different from the others, came up out of the sea."

„The first was like a lion...“

Daniel 7:4

And there before me was a second beast, which looked like a bear.

Daniel 7:5

After that, I looked, and there before me was another beast, one that looked like a leopard.

Daniel 7:6

After that, in my vision at night I looked, and there before me was a fourth beast — terrifying and frightening and very powerful.

Daniel 7:7

I Daniel was grieved in my spirit in the midst of my body, and the visions of my head troubled me.

I came near unto one of them that stood by, and asked him the truth of all this. So he told me, and made me know the interpretation of the things.

Daniel 7:15-16

The four great beasts are four kings that will rise from the earth. These great beasts, which are four, are four kings, which shall arise out of the earth.

Daniel 7:17

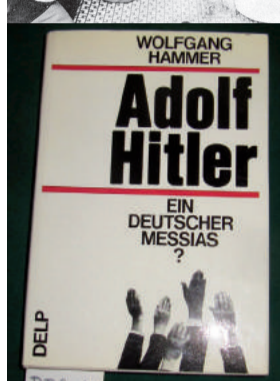

The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, ...

### 1933 - 1945

Wing on symbolic meaning of an animal: In the Alchemical text and graphics will show a lion, if a certain magical/spiritual goal is to be achieved. When we see winged lions (a mix of eagles and lions), it is a combination and message of — a juxtaposition between the beginning and the end.

National Socialism was a fascist political movement and ideology that developed after the end of the First World War in 1918 during the Weimar Republic in Germany. His followers were radically antisemitic, anti-communist and anti-democratic. The goal of the National Socialists was to create the German "Volksgemeinschaft". A community that consisted only of so-called Aryans and was excluded from the Jews, other thinkers, the disabled, Sinti and Roma, Communists and people of Slavic origin.

The idea of the Volksgemeinschaft came from the already existing "Völkischen Bewegung", whose ideas the National Socialists developed into the extreme. antisemitic thoughts and expressions were not uncommon at the beginning of the twentieth century, though not in the aggressive form of the National Socialists. In addition, the NSDAP represented in their party program as many Germans the view that the Treaty of Versailles should be reversed.

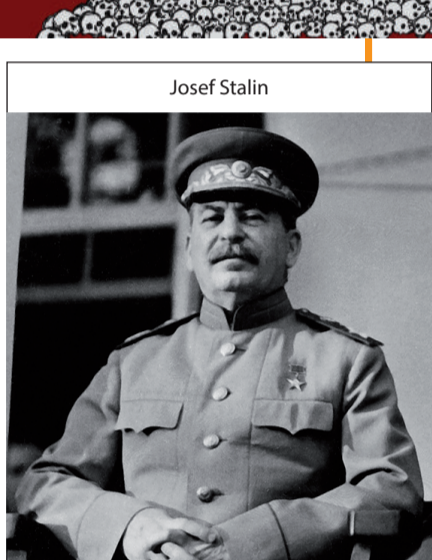

... and made stand upon the feet as a man, and a man's heart was given to it.

Daniel 7:4

In 1933, Reich President Hindenburg appointed Adolf Hitler Chancellor, and he used the Reichstag fire to pass the authorizing laws. By doing so, he eliminated democracy by allowing the government to pass laws without the Reichstag. He passed further laws that brought countries into line with the federal government and brought the media under state control. Germany became a totalitarian "leader state".

### 1922 - 1991

And behold another beast, a second, like to a bear, and it raised up itself on one side,...

70 years ago, Germany and the Soviet Union signed a non-aggression pact. This opened the way for Adolf Hitler's attack on Poland. Stalin also benefited from the "devil pact".

In the end, not only the peoples involved, but the whole world had to pay a high price. That was not the first choice. It was a stopgap. Had the British been ready for an alliance, both the German and the Soviet dictators would have joined them.

But, because the appeasers in London offered neither Adolf Hitler nor Joseph Stalin the conditions they demanded, the declared opponents approached each other and came to an agreement.

...and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it: „Arise, devour much flesh.“

Daniel 7:5

The three Ribs stand for the leaders of the Communist movement: Lenin, Trotsky and Stalin. The Bear represents the former Soviet Union. The Communist Party of the Soviet Union (CPSU) was the founding and ruling political party of the Soviet-Union. The party was founded in 1912 by the Bolsheviks, a majority faction detached from the Russian Social Democratic Labour Party, led by Vladimir Lenin, who seized power in the October Revolution of 1917.

Joseph Stalin was the General Secretary of the Communist Party of the Soviet Union's Central. Lenin recognised both Stalin and Trotsky as "men of action" who stood out in this regard from many of the other senior Bolsheviks.

In late 1922, Trotsky secured an alliance with Lenin against Stalin and the emerging Soviet bureaucracy. After leading a failed struggle of the Left Opposition against the policies and rise of Joseph Stalin in the 1920s and against the increasing role of bureaucracy in the Soviet Union, Trotsky was removed was expelled from the Communist Party in 1927.

Stalin's purges are the term for a period of Soviet history during the reign of Josef Stalin, marked by massive persecution and killing of Stalinist politically "unreliable" and oppositional persons. The total number of victims from this period is unknown and difficult to verify, estimates by historians range from at least about 3 million dead to well over 20 million.

A second wave of cleansing began at the beginning of 1948. It was mainly directed against Jews who were denounced as "rootless cosmopolitans." The campaign led first to the dissolution of the Jewish Antifascist Committee, reached its peak in the so-called doctors' conspiracy and ended abruptly with Stalin's death in March 1953.

### 1993 - 2016

After this I beheld, and lo another,...

... of it four wings of a fowl;

The four wings stand for the control of the 4 oceans: Atlantic, Pacific, Indian sea and Arctic

Nimrod is the son of Ethiopia's grandson Hams and great-grandson of Noah. The names Nimrod and Ethiopia have two meanings. The meanings for Nimrod are "Leopard Taming," "The Leopard Tamer," the great hunter, and spotted in Hebrew. He is often depicted wearing a leopard's garment.

The legend of Nimrod is found in the early versions of the history of Freemasonry that is written; he was the founder of the Brotherhood. Nimrod was the son of Cush. In Chaldee chaos, the pronunciation of Cush, or even Khus (Ethiopia) is said to be derived from Khaw: "chaos".

ORDO AB CHAO: A Latin expression, meaning Order out of Chaos. A motto of the Thirty-third Degree, and having the same allusion as „lux e tenebris“ (light in Darkness), which see in this work. The invention of this motto is to be attributed to the Supreme Council of the Ancient and Accepted Scottish Petite at Charleston, and it is first met with in the Patent of Count de Grasse, dated February 1, 1802.

In essence, the thirty-third degree is an elite honor reserved for a small group of highly accomplished masons.

...the beast had also four heads; and dominion was given to it.

And the ten horns out of this kingdom are ten kings that shall arise:

In 1962, the Group of Ten was founded by ten major industrialized countries: Belgium, Canada, France, Germany, Italy, Japan, the Netherlands, Sweden, the United Kingdom, and the United States, which governed economic, monetary and financial matters. The Finance Ministers and the Governors of the Group of Ten meet in connection with the meetings of the International Monetary Fund and the World Bank. In 1983, Switzerland joined the G10, but the name was retained.

Switzerland was the most globalised country in the world, according to a 2016 survey by the KOF Swiss Economic Institute. It moved up one place to the top compared with the previous year.

The Netherlands, Belgium, Sweden and Britain followed in the next places. The United States are in 23<sup>rd</sup> place and the Comoros, Afghanistan and Guinea-Bissau are bottom of the G7 155-country ranking, which was published on Thursday.

The experts at Zurich's Federal Institute of Technology say smaller countries tend to be placed higher up in this ranking than larger countries.

This is the result of their greater degree of interdependence, for example with neighbouring countries, leaving the largest national economies around the world in the mid-range.

The KOF Globalisation Index measures the economic, social and political dimensions of globalisation between 1970 and 2016. It is used to monitor changes in the level of globalisation of different countries over a long period of time.

"The level of worldwide globalisation increased rapidly between 1990 and 2007. But the financial crisis and the subsequent recession have slowed down its development," the Swiss Economic Institute says.

According to the Globalization Report 2018, carried out by Prognos AG for the Bertelsmann Foundation, industrialized countries benefit the most from increasing globalization and interconnectedness.

### The Revelation of the Son of Man to the Lords of the World:

On May 6, 2017, D. Leuthard (former President of Switzerland) brought the Ark of the Covenant to the Vatican.

May 24, 2017: The Pope receives Trump in Rome (see video) and hands him the Ark of the Covenant over, which was then transported to Sicily. So that Trump can open the ark in front of the G7 participants.

2 days later, Friday midnight the 26th of May 2017: Trump tries to open the Ark in the cavern of the Ancient Theater Taormina, in Sicily; with a blood ritual, which also Angela Merkel was present and the other G7 participants.

Since then I am officially in Battle! And they against me!

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Epheser 6:12

... and shall wear out the saints of the most High, and think to change times and laws: ...

The last king who taunts and disturbs everyone is Switzerland! (see Daniel 8 in this pdf: The Ram and the Goat).

The Group of Ten Industrialized Countries (G10) was founded in 1962. I was born in 1975 and this is also the founding year of the G7 nations. Eight years later, (1983) Switzerland joined the G10. Switzerland is the Whore of Babylon in Revelation 17 & 18! Do I have facts and evidence? Yes, since 2017.

With the archangels Raphael aka Ra Castaldo and Phanuel aka David Shuter; I prevented — the Son of Man — the opening of the Ark with a holographic intervention on the site. (Ezekiel 8:3).

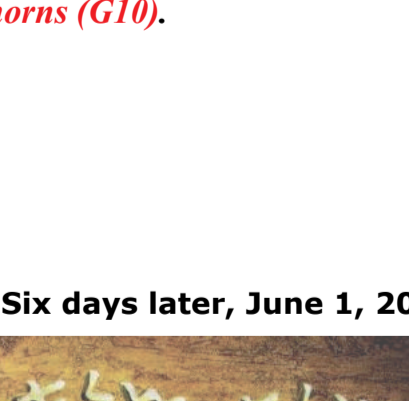

The Ark of the Covenant has been in Switzerland since the 13th century. It was abandoned by the Empire of Abyssinia to the Templars to create a nation in the heart of Europe, for the return of the Son of Man and his apostles. Under the conditions; to hand over the ark of the covenant to the Son of Man when He finds it!

So he carried me away in the spirit into the wilderness: and I saw a woman (the Whore of Babylon: Switzerland) sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads (G7) and ten horns (G10).

### „THE WRITING IS ON THE WALL“: CERN'S MESSAGE FROM GOD

Indeed, in what has become one of the most remarkable stories of the summer of 2017, it is being reported by many independent researchers like unirock on YouTube that CERN was given the message, Tekel, from the Higher Consciousness (or God); and, according to sources, this message was delivered to the Bilderbergers this June by CERN Director General Fabiola Gianotti.

Apparently, the story was originally disseminated by Sorcha Faal to her Western sub: Here is the first paragraph from here:

A paradigm shifting report presented today to the Security Council (SC) by the Federal Medical-Biological Agency (FM-BA) states that a "Message from God" was recently relayed to the most powerful group of Western elites ever assembled (termed the Bilderberg Meetings)—the importance of which was so "terrifying" to those who heard it, they instantly pledged their nations "total resources" in order to stop what they know will be the "end of their rule" over Earth

Ironically, "Tekel" was the exact inscription or handwriting on the wall that the King of Babylon saw written by a mysterious source. Daniel then came in and informed the king that the expression means, "You have been weighed in the balance and found wanting." Of course, his kingdom was then divided between the Persians and the Medes; and, under Darius and Cyrus, the Jews were returned to Jerusalem to reinstate their worship of the one God after their 70 years spent in Babylonian captivity.

The ranks of the Theater of Taormina

... And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee:

for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.
